

Wisconsin Municipalities with Commercial Building (Structural and HVAC) Plan Review Delegated Authority – May 27, 2025

This list and the contact information are updated regularly. Contact [Etta Strey](#) if this list contains an error. See the [DSPS website](#) for more information on the Department's delegation program.

Wisconsin Administrative Code § SPS 361.60

This section establishes the manner under which cities, villages, towns and counties may examine building plans under ss. [101.12 \(3\)](#) and [\(3g\)](#), Stats. Municipalities delegated responsibilities under Wis. Admin. Code § SPS 361.60 may be delegated for one of the following:

1. Structural and HVAC Plan Review of Small Commercial Buildings. This includes:
 - New buildings containing less than 50,000 cubic feet total volume.
 - Additions to existing buildings where the total volume after construction of the addition is less than 50,000 cubic feet.
 - Additions to existing buildings containing no more than 2,500 square feet, no more than one floor level, 18-foot maximum roof span and 12-foot maximum exterior wall height.
 - Alterations to existing buildings where the altered space is less than 100,000 cubic feet of total volume.
2. Structural and HVAC Plan Review of All Commercial Buildings in a First- or Second-Class City. Cities with a First- or Second-Class City status have the authority to review and inspect commercial projects of all sizes.
3. Special Delegation. This includes a combination of delegation responsibilities not identified in one of the options above. See the municipality's linked PDF letter for specific delegation responsibilities.

See the following lists for other types of delegated authority:

[Fire Suppression and Fire Alarm Plan Review](#)

[Commercial Building \(Structural, HVAC, Fire Suppression, and Fire Alarm\) Inspections](#)

A municipality's plan review delegation applies to all types of buildings and structures specified in [Wis. Stat. § SPS 361.30](#) except state-owned buildings and structures. Note that per [Wis. Stat. § 101.12](#), an owner has the option of submitting projects that require plan review to either the municipality or the Department.

Delegated Authority for Counties: These counties have been authorized jurisdiction over the structural and HVAC plan review of commercial buildings in municipalities which do not have their own delegated authority.

The following table identifies the municipalities that are delegated the primary responsibility to perform structural and HVAC plan review under Wis. Admin. Code § SPS 361.60. The list includes:

- Each municipality's responsibilities under its Wis. Admin. Code § SPS 361.60 delegation authority, as numbered above.
- A link to each municipality's delegated authority approval letter from the Department. (Click on the number in the Delegation Authority column to view the letter.)
- Municipal and plan reviewer contact information for each municipality. Note the municipality's delegation is not contingent on the specific individuals identified on this list or in the linked approval letter.

Contact the municipalities listed below for commercial building plan review, as appropriate. For projects within municipalities not listed below, contact the Department.
