

Wisconsin Agencies with Manufactured Home Community Delegated Authority – February 13, 2025

This list and the contact information are updated regularly. Please contact [Etta Strey](#) if this list contains an error. See the [DSPS website](#) for more information on the Department's delegation program.

Wisconsin Administrative Code § SPS 326

This chapter establishes the manner under which a local health department may issue permits to and regulate manufactured home communities under s. [101.935\(2\)\(a\)](#).

The following table identifies the health departments that are delegated the primary responsibility to perform manufactured home community permitting and inspecting under Wis. Admin. Code § SPS 326. The list includes:

- A link to each county's delegated authority approval letter from the Department.
- Contact information for each county.

Contact the agencies in the following list for manufactured home community permitting and inspections, as appropriate. For communities within a county not listed below, contact the Department.
